

The Camelot Wheel Cheat Sheet

Mix in key without reading music. Find the code of the track playing, then move to a compatible one.

Outer ring: major keys (B) · Inner ring: minor keys (A) · The number is a clock position, 1–12

The four moves that always work

Same key

8A → 8A

Identical code

The most seamless blend there is.

Energy up (+1)

8A → 9A

One step up, same letter

Lifts the energy a notch.

Energy down (−1)

8A → 7A

One step down, same letter

Eases the energy back.

Relative switch

8A → 8B

Same number, other letter

Minor to major, same notes, new mood.

Going further: four advanced moves

Energy boost (+2)

8A → 10A

Two steps up, same letter

A bigger lift when you want the floor to feel it.

Diagonal blend

8A → 7B

One step ± and switch letter

Shifts energy and mood together.

Half-step lift

8A → 3A

Seven steps up the wheel

The dramatic whole-track semitone jump. Use sparingly.

Parallel switch

8A → 11B

Three steps up and switch letter

Same root note, minor to major. A strong turn.
